Dear Florence,

It was wonderful to talk with you yesterday about the Benson Family. I have been working for the last three years on my families genealogy to keep me occupied while recovering from a heart attack. I now am collecting as many photographs as possible of my ancestors. I have very little information on the Benson and griffin lines except what I am enclosing. I tracked Chester Benson with his birth record to give me Levi W Benson and found Levi W Benson on the 1860 Census record for Norfolk VA. In this house is a John Benson who later marries and gives his place of birth and parents, listing them as Levi and Lydia Benson of Woodstock VT. I hope you enjoy this information. I would dearly love any copies of photos of Merle Benson, Letitia Benson his wife, Levi W Benson and his wife and any of their parents. I have been coping phoyographs at the local Target/K Mart store that have these enlarging/coping machines. A single sheet (two 5X7 photos) cost about \$10.00. Let me know what I owe you for the copies. If you prefer I will copy them here and return them to you.

Thank you very much and I hope all goes well with your health. We will keep you in our prayers.

William Hutchinson
